We Invite You To Partner With Us

Together, we can partner together to cultivate organizations and communities that are effective in engaging and serving the fathers of our communities.

Utilizing National Fatherhood Initiative's (NFI) Father-Friendly Check-Up tool, this one-day summit brings together representatives from various organizations, agencies, and the faith-based community for discussions and creative solutions to engaging fathers in families and communities.

- ✓ Learn how to effectively attract fathers to existing programs.
- ✓ Exchange and share new ideas for Leaderships, Programs, Organizations and Community Engagement for fathers.
- ✓ Develop a successful Action Plan for engaging fathers in your organization.
