

The 24/7 Dad A.M. Fathering program is an evidence-based fatherhood program used by thousands of organizations across the nation to improve the knowledge, behavior, and skills of dads of all races, religions, and demographics.

The program is built on the basis that fathers can be nurturers, and for men, nurturing is a learned skill. Throughout the program, men examine their own fatherhood history, learn the 5 characteristics of a 24/7 Dad, and other important behaviors; such as, working with mom and proper child discipline.

As designed, the 24/7 Dad A.M. Fathering program is 12 sessions, (generally) 2-hours sessions in a group setting, but is also used in a one-on-one home-based setting. The 24/7 Dad program is available as A.M. (covers basic fathering skills) and P.M. (covers deeper fathering skills and topics).
